China and International Law in the 21st Century

Book Description

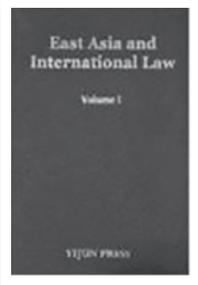

Publication date: December 1, 2013
ISBN : 979-11-85315-05-8

This book collects the academic papers of leading Chinese international lawyers regarding Security and Human Rights, Environment, Maritime Affairs, Economy and Trade, Civil Aviation and Outer Space Development, and Private International Law. Each article represents native Chinese viewpoints on highly topical regional and global affairs. As a whole, the book can thus be a well-designed blueprint to analyze and predict China's law and policy in various international legal issues.

Table of Contents

Part I : Security and Human Rights
Part II : Maritime Affairs
Part III : Environment
Part IV : Economy and Trade
Part V : Civil Aviation and Space Development
Part VI : Private International Law

East Asia and International Law (Vol.I~VII) Series

Book Description

Publication date: January 1, 2015
ISBN : 978-89-962457-8-0 (set)

East Asia and International Law is a cloth-bound compilation of volumes of the highly prestigious Journal of East Asia & International Law (SSCI/SCOPUS), one of the pre-eminent academic international law reviews published by the YIJUN Institute of International Law. The set of books (vols.1-5) consist of approximately one hundred legal articles and other valuable publications regarding regional affairs in East Asia. Articles are written by East Asian legal scholars who analyze on-going regional affairs, bilateral disputes, and mainstream international legal questions. These five volumes cover various legal topics of contemporary East Asia such as China-US conflicts, international trade and investment, ASEAN integration, South China Sea disputes, the North Korean Nuclear question, human rights, outer space development, climate change, among numerous other important issues. This set of volumes represents some of the finest research for those who wish to gain an understanding of international legal perspectives unique to East Asia. The highly-detailed annotations provide valuable research references for students, scholars or practitioners studying international law at a professional level.
